

At the Level of the Spirit

At the Level of the Spirit

At the level of spirit One day, during prayer, a word from God came to me Encouraging me to start working on this book. Voice The Holy Spirit was very annoying and I couldn't resist God's prospense. Immediately after that, my thoughts became To build a strategy for the future book. My mind was just tearing off from Information that came from God and in my spirit I have already I saw a partial plan of this book.

I want to draw your attention to God's plan when creating A person written in the first book of the Bible. "And God said: Let us create man in Our image and according to Our likeness... And God created man in His image, according to Created him in the image of God; he created them male and female." Genesis 1:26-27 In this Bible text you can see some Mismatch and before continuing to argue about what was said God about the creation of the first man, I want to do A small but very important amendment. -1- At first, God created only the man to whom he gave a name

Adam. Eve, Adam's future wife, was taken by God from the rib Adam, although like Adam, she was also created by God. Let's Let's see how it happened and talk about what God's Fishing was in all this. "And the Lord God said: It is not good for a man to be alone; We will create an assistant for him, corresponding to him... and the Lord brought God has a sound sleep on a man; and when he fell asleep, he took one of the ribs Him and covered that place with flesh.

And the Lord God created from the rib Took the man's wife, and brought her to the man. And the man said: Behold, the bone of my bones and the flesh of my flesh; it shall be To be called a wife, for she was taken from her husband." Genesis 2:18; 21-23; So we see that Eve, Adam's wife, came from Adam and was Given to him by God as an assistant. For this reason, the leadership in Everything belonged only to Adam. But with all this, both Adam, so And Eve were created by God in the image of God.

The meaning of the word An image is a view, appearance, a living and visual representation of God. Oh The same bright images of the future. This indicates that Man created by God was intended for the future eternal Of life with God. Man was created by God like God. -2-

Three-one. And that the most important thing is that man, like God, was the spirit. But at the same time he had a soul and, unlike God, a physical body. Before the fall, Adam and Eve were not as saints as they are today Believers in Jesus Christ who accepted redemption in His blood.

But Like babies, they had no sin, were innocent and covered The glory of God. They haven't been attracted to each other yet, that Today is natural between a man and a woman. In this Adam and Eve were in condition until they tasted From the tree of knowledge of good and evil and their eyes did not open as on Good and evil. The Bible says that God came to them in The coolness of the day to communicate with Adam, since Adam was the head Your wife.

And this communication took place at the level of the spirit. But when They sinned, God drove them out of paradise and stopped communicating with them, Because their spirit became dead to God because of the fall. And about God warned them in advance, but they acted contrary to Told by God. -3- "And the

Lord commanded the man, saying: from every tree in the garden you shall eat, but from the tree of the knowledge of good and evil you shall not eat from it, for On the day you taste of it, you will die."
Genesis 2:16-16

For four millennia, humanity has been Under the power of the devil, who all this time was the prince of this Of the world. But when the fullness of time came, God the Father sent the Son His only begotten as a sacrifice for sin for the redemption of the family Human. Who died for our sins and rose again in Our justification. And then Jesus Christ created His Church, Which the gates of hell can no longer overcome.

Finishing my I will move on a short introduction to a deeper one Reasoning related to the period of the Church. To begin with, let's Let's consider the dialogue of Jesus Christ with a Samaritan woman. "But the time will come, and it has already come, when true fans Will worship the Father in spirit and truth, for such admirers Father is looking for Himself. God is a spirit, and the one who worships Him must To worship in spirit and truth." -4- John 4:23-24 First of all, I want to note that in a conversation with a Samaritan woman Jesus Christ is already talking about the period of the Church and only about the true Admirers, not about all believers in God.

And these true ones Worshipers will worship the Father in spirit and truth. In this Case, it is said about our spirit, which until that time was

Dead for God. But when on the day of the Jewish holiday On Pentecost, the Holy Spirit came down to earth and rested on his disciples Jesus Christ, the Church of Jesus Christ was born. At this time in These people's spirit was revived to live with God and communicate with Him, As it was in the Garden of Eden with the first people. This day became The beginning of the revival of the human spirit among believers Survivors of being born again and confessing Jesus Christ Your Lord and your Savior.

But unfortunately Today not all believers who confess Jesus as their Lord Worship and serve God with their spirit. And for this reason, God I have to look for such admirers for myself. Because Those who worship God must worship in spirit and truth. All mine Further reasoning will mainly be related to Worship and service to God at the level of our spirit. -5- When on the day of Pentecost the Holy Spirit descended on the disciples Jesus Christ, their spirit was reborn and received a heavenly tongue, So that they could have communion with God at the level of their spirit.

We know that every baby born of the flesh has its own Of birth receives a voice in order to continue to communicate with

By his parents and other people. And it's quite natural, Because his further life largely depends on it Device. It happens with people in the same way Born of the Spirit. The Bible calls it baptism in the Holy Spirit.

All biblical examples related to baptism of the Holy Spirit Show that when the Holy Spirit came upon people, they Started speaking in other languages. Only in one case not Said about it, but it can be easily explained and in the future I'll try to do it. First, let's look at the baptism By the Holy Spirit gathered in the house of Cornelius, a centurion Italian regiment. "When Peter continued this speech, the Holy Spirit came down on everyone, Who listened to the word.

And the believers of the circumcised, who came from Peter, were amazed that the gift of the Holy Spirit was poured out on the Gentiles, For they heard them in tongues and exalting God. Then Peter said: who can forbid to be baptized with water to those who Like us, we received the Holy Spirit." Acts 10:44-47
From what is said in this biblical text, we see

That when the Holy Spirit descended on those gathered in Cornelius' house They began to speak other languages. Peter also talks about That these people received the Holy Spirit in the same way as they in The day of Pentecost. The evidence of this was the saying In other languages gathered in Cornelius' house. And it breaks The version that on the day of Pentecost, the manifestation of speaking in In the languages of different peoples there was only a one-time phenomenon.

These people They claim that at that time there were no technologies capable of To send a message to all those gathered for the holiday at the same time From God. Nowadays it is already possible and that's why God is more Does not address us in this way. -7- There is another version that questions the importance of Baptism with the Holy Spirit with the sign of other languages. Believers are not Those who admit it claim that such a manifestation took place Only during the early Church period. And when all the Apostles went to This gift ceased to manifest itself for eternity.

These people are talking about That in the future in the history of the church is no longer mentioned about This phenomenon. And only somewhere in the eighteenth century this The phenomenon began to return. And for this reason, baptism of Saints

The spirit can be without the manifestation of speaking in other languages. There are also believers who say that the devil can Speak different languages. And we should avoid this Manifestations of no other spirit. On the basis of our statements, there should be no different A kind of assumption or warning, but only the Word God's, the teaching of the Apostles and most importantly this is what was said to us Jesus Christ.

It's a great guarantee for all time The Church created by Him, which the gates of hell cannot Overcome. -8- "So, go, teach all nations, baptizing them in the name of the Father and the Son and Holy Spirit, teaching them to observe all that I have commanded you; and behold, I am with By you all the days until the end of the century. Amen." Mt.28:19-20 This is only one part about the great guarantee of our Lord Jesus Christ for the Church created by him. And already in the Gospel of Mark Jesus Christ complements what Matthew wrote about. "And he said to them: go in all the world and preach the Gospel to all Creatures.

Whoever believes and is baptized will be saved; and whoever is not Will believe, will be condemned. Those who believe will be

To accompany these signs: in my name they will drive out demons; Will speak new languages; will take snakes; and if anything They will drink deadly, it will not hurt them; they will lay their hands on the sick, and They will be healthy." Mk.16:15-18 Based on the great guarantee of our Lord Jesus Christ, which we must unconditionally fulfill, it is possible See the following. In addition to baptism in the name of the Father and the Son and The Holy Spirit during water baptism, baptism is also said With the Holy Spirit.

In the great guarantee, Jesus Christ speaks and About the signs that will accompany the baptized in the water and Baptized by the Holy Spirit. One of these signs is speaking In other languages.

Which today accompanies believers Fulfilling the great guarantee of our Lord Jesus Christ. And now let's continue the reasoning we started about Baptism with the Holy Spirit. I'll give you another example of baptism By the Holy Spirit, but from the ministry of the Apostle Paul. -9- "During Apollos' stay in Corinth, Paul, having passed the upper Country, arrived in Ephesus and found some disciples there and said to them: Have you received the Holy Spirit, having believed? They told him: we

Didn't even hear if there was a Holy Spirit. He said to them: what are you Baptized? They answered, "John's baptism." Pavel said: John baptized with the baptism of repentance, telling people to Believed in the One to come after him, that is, in Christ Jesus. Having heard This, they were baptized in the name of the Lord Jesus, and when Paul Laid his hands on them, the Holy Spirit descended on them, and they became Speak in other languages and prophesy." Acts 19:1-6 If in the house of Cornelius the Holy Spirit descended on those gathered there in The time of the Apostle Peter's sermon, not during the prayer for them.

Then In this case, the baptism of the Holy Spirit took place in that The time when Paul laid his hands on people and prayed for Them. In both cases, we see the baptism of the Saints Spirit as a separate experience accompanied by Speaking in other languages. The last example of baptism The Holy Spirit recorded in the word of God differs from two Previous ones. In this case, it is not said that during Baptisms by the Holy Spirit who accepted Jesus Christ as their The savior to speak in other languages.

These events took place The time of awakening in the Samaria village, where God is very strong

Used Philip the evangelist, one of the seven deacons Jerusalem Church. -10- "So, Philip came to the city of Samaria and preached to them Chris. The people unanimously listened to what Philip said, hearing And seeing what miracles he performed. For unclean spirits of many, Obsessed with them, came out with a big cry, and many The relaxed and lame were healed... who were in Jerusalem The apostles, hearing that the Samaritans had accepted the word of God, sent to Peter and John, who, having come, prayed for them, that they Received the Holy Spirit. For He hasn't gone down to any of them yet, and Only they were baptized in the name of the Lord Jesus.

Then they laid Hands on them, and they received the Holy Spirit. Simon, seeing that Through the laying on of Apostolic hands, the Holy Spirit is presented, brought Them money, saying, give me and give me this power, so that he, on Whom I will lay hands on, received the Holy Spirit." -11- Acts 8:5-7 In this case, although it is not said about the sign of other languages at Baptism with the Holy Spirit. But nothing is said that baptism Took place without speaking in tongues. But if we pay attention Let's consider this biblical text, we can see the following

Picture. The believers were baptized in the name of the Lord Jesus, but At the same time, the Holy Spirit has not yet descended on any of them. This Says that water baptism and baptism with the Holy Spirit are two Individual experiences. We also see that God through Philip Drove out demons and healed those possessed by various diseases.

But With all this, Philip did not have the gift of help for prayer For baptism with the Holy Spirit. For this reason, from Jerusalem were Apostles Peter and John were sent with the gift of help about Baptism with the Holy Spirit. And only after the Apostles Laid hands on the baptized, it is said that the Spirit descended on them Saint. But it's not said about some visible sign.

If it wasn't there There was a visible manifestation, then Simon the Magi would not be able to see Of this. And since there is nothing in the Bible except speaking other languages It doesn't say about any other visible sign. We can confidently To claim that these people began to speak in languages. -12- And finally, I want to say another version about baptism The Holy Spirit, which does not have the Biblical Grounds, but takes place among believers who deny Baptism with the Holy Spirit with the sign of other languages. Such

Believers claim that everything that happened to Jesus Christ during His stay on earth is not subject to any Doubt. They show that after baptism in the water from John the Baptist, the Holy Spirit descended on Jesus Christ, but He did not Began to speak other languages as believers do today Baptized with the Holy Spirit. Based on this, such believers Claim that the Holy Spirit descends on them in the same way as He also came down on Jesus Christ. And thus completely Deny speaking in other languages when being baptized by the Holy Spirit.

I always tell the confessing believers that they are the same Must also be accompanied by visible signs that appeared on Jesus Christ when the Holy Spirit came upon Him. But if it's not Happens, there was no baptism with the Holy Spirit. Let's Let's see how the Holy Spirit descended on Jesus Christ. "When all the people were baptized, and Jesus, being baptized, prayed: The sky was open, and the Holy Spirit descended on Him in bodily form, Like a dove, and there was a voice from heaven, saying: You are my Son Beloved; in you My favor"!

Luke 3:21-22 So we see that baptism with the Holy Spirit manifests itself -13-

Only by speaking in other languages. Because our reborn spirit Receives a voice to communicate with God in the heavenly language Through the Holy Spirit living in us. And there is a special one in this A privilege for you and me. In further reasoning, I would like to show what Plays an important role in our lives and in our service to God Prayer in other languages.

First, let's turn to the conversation Jesus Christ with a Samaritan woman. "But the time will come, and it has already come, when true fans Will worship the Father in spirit and truth, for such admirers Father is looking for Himself. God is a spirit, and the one who worships Him must To worship in spirit and truth." In.4:23-24 What Jesus said Christ shows us the period of the Church Which should have come after His return to heaven. Jesus Christ did not speak of all believers who worship the Father.

But only about those believers who will worship the Father on Level of your spirit. From what he said, you can see that such There won't be so many believers and for this reason God is forced -14- Will look for them. And since man, like God, is a spirit, he

And must worship God with his spirit. Based on this, we Let's continue to talk about worshiping God in our spirit. "For when I pray in an unfamiliar language, although my spirit and Prays, but my mind remains without fruit. What to do?

I will become Pray in spirit, I will pray with my mind; I will sing with my spirit, (Play psalms with the spirit) I will sing and with my mind." 1-Cor.14:15 This biblical text says about praying to God and we see That prayers in the spirit and singing in the spirit are in the foreground. And only Prayer and singing with the mind in the background. And since our topic Connected only with what is happening at the level of our spirit, we Only from the part we will touch prayer with our mind mind. So then Let's continue to talk about spiritual prayer and spiritual singing.

"Likewise the Spirit strengthens us in our weaknesses; for we do not know, What to pray for, as it should be, but the Spirit Himself intercedes for us -15- Unspeakable sighs. The one who tests hearts knows, What is the thought of the Spirit, because He intercedes for the saints by their will God's." Rom.8:26-27 During prayer, our prayers are not able to reflect our prayers The perfect will of God and with this we limit God. During

Prayers with the mind, we are more focused on what is closer to us Not to God's care in our lives. There may be such Prayers that God does not answer, because they are devoid of sound Meaning. But prayer by our spirit through the Holy Spirit Living in us interceding for the saints of God Exclusively by the will of God. And it goes far beyond the chapels Our needs.

Prayer in spirit reaches both people unknown to us and about Of which we know nothing. And when the interpretation comes Prayer in spirit, knowledge of this comes to us. God can To call the name of the person about whom at that time by means of Our spirit intercedes with the Holy Spirit. And in this Bible text It's very clear about it.

In the biblical text I have already given above, where the Apostle Paul talks about prayer with the spirit, our prayer on the unknown Language and speaks about prayer with the mind. He puts a prayer with the spirit on First place, thus indicating the special importance of such Prayers. At the same time, Paul talks about singing our spiritual and Singing with our mind. If prayer with the spirit is still practiced In many Christian churches, although not in all -16-

Protestant churches encourage this practice. That spiritual Singing is practically deleted from the doctrines of all churches. Many Believers don't even know what it is. Even in churches where else Prayer is practiced by the spirit, spiritual singing is completely Absent.

Maybe it's all because it's about it in the Bible Said only once, and that, as if by the way. We Let's go back to the reasoning about spiritual singing and pain Let's talk about it fundamentally. And now let's go back to Prayer with the spirit and let's see a few more places of Scripture. "Whoever speaks an unfamiliar language, edifies (builds) himself...

We are already moving with you into the field of God's house building about Which is more deeply stated in the epistle of Judah. "And you, beloved, edifying (building) yourself on the most holy faith Yours, praying with the Holy Spirit, keeping yourself in the love of God, Waiting for mercy from our Lord Jesus Christ, for the eternal Of life." Jude 1:20-21 A kindred word of edification and more understandable to understand Is the word to build and in the future instead of the word editing I I will use the word build. So we see that prayer -17-

Our spirit is at the same time a prayer by the Holy Spirit, who Conveys our prayer to God. From what Judas said, we see that Prayer by the Holy Spirit builds us on the most holy faith. Others With words, we build on the level of our spirit, growing in faith. And Thus keeping yourself in the love of God, which poured into Our hearts are given to us by the Holy Spirit.

This allows us to To expect mercy from our Lord Jesus Christ for eternal Of life. Let's consider another passage of Scripture about spiritual Prayer. "For he who speaks in an unfamiliar language does not speak to people, but God; because no one understands (hears) him, he is a mystery Speaks by the spirit"; 1-Cor.14:2 This time we see something new related to prayer on other Languages. The first thing I want to draw your attention to is that That during prayer in tongues we do not address people but to God.

And as it is said in the translation from the original, this prayer is not Hears. In this case, the word does not hear refers to the spiritual To the demonic world. Since at this time communion with God on -18- The level of our spirit is connected with something secret that is hidden from the enemy

Human souls. This does not allow God's opponent Prevent God from implementing His plans in our life and our ministry. And this is the superiority of prayer by spirit over prayer by mind. In that The time when we offer our prayers to God with the devil's mind Hears these prayers and does everything possible to prevent us In this or that case.

And it can be seen even in the ministry Apostle Paul, when insurmountables arose on his way Obstacles. What he himself says in the Epistle to the Thessalonians. "We, brothers, being separated from you for a short time by face, and Not with the heart, with a great desire they tried to see the face Yours. And that's why we, I, Pavel, wanted to come to you once and twice, but Satan hindered us." 1-Thess.2:17-18 These can be different life and spiritual circumstances.

And when we pray in spirit, our enemy does not hear plans God's and is confused. At this time, all his Plans against us lose their power. In conclusion, the reasoning about I want to sum up the prayers of our spirit in other languages What I said above. This is recorded in the letter of the Apostle Paul to Ephesians. -19-

"Pray with every prayer and supplication at all times in spirit, And try to do it with all consistency and prayer for everyone Of the saints and about me, so that the word would be given to me - by my mouth open Boldly proclaim the mystery of the gospel." Eph.6:18-19 Addressing the Ephesians, Paul gives them a very useful A recommendation about spiritual prayer. Pavel says to pray The spirit is always necessary, whatever our prayer is, in that Number and a prayer of request. And it is necessary to do it in any way Time with all perseverance and prayer of prayer for all the saints. I think that prayer of supplication is an intercessory prayer, Which can also be constant.

Such prayers are not It is possible to pray with the mind and only with the spirit. From what Pavlo said You can see that in order to be successful in your Paul himself needed the prayer of the petitioners. -20- And now let's talk about the spirits of singing. In the original on Greek language to sing in spirit to translate "I will play psalms In spirit." And this is not only spiritual singing, but God's orchestra. I want to say once again that nowadays spiritual singing is not Is practiced even in those churches where they pray in other languages.

Moreover, many believers in these churches do not even have The slightest idea of this ministry of the Holy Spirit. For For most believers, this manifestation is something Strange and unacceptable. In the gospel of spiritual singing it is said Only in the first letter to the Corinthians, and even then very briefly. And For this reason, theologians do not betray this phenomenon much Values.

But as a spiritual gift, singing by the spirit is for the church With a great blessing from God. And I want to be on my personal Experience to show you the manifestation of this gift in practical Service. I got acquainted with the ministry of this gift at the beginning Of the eighties. We had a group of believers in our church Who also practiced spiritual singing in spiritual prayers.

One brother from the Old Believers led spiritual singing as a conductor Orchestra. He set the tone in spiritual singing and everyone gathered Performed their part. It was God's orchestra under the management of Holy Spirit. Spiritual singing stopped only when The Holy Spirit himself stopped him.

Sometimes spiritual singing Lasted for an hour. -21-

In addition to group singing, there was also individual singing. During Prayers one brother kneeling with his hands raised up Literally danced and began to sing in spirit very beautiful Melodies in Indian. At this time, my brother's face Was transformed by the heavenly aroliance. I want to share another manifestation of spiritual singing, but already During baptism with the Holy Spirit.

For the service of the Pentecostals One married couple of clean-up workers came. They wished To be baptized by the Holy Spirit. During the prayer for baptism With the Holy Spirit, this woman's husband immediately spoke in tongues. His The wife, filled with the Holy Spirit, began to sing in other languages and not Could have stopped.

And what's surprising is that in the future when She began to pray in spirit, it was immediately fulfilled by spiritual Singing and continued to sing for a long time. In conclusion Reasoning about spiritual singing, I want to offer you another one A biblical text where spiritual praises are said. "And do not get drunk with wine, from which there is debauchery; but Be filled with the Spirit, edifying (building) yourself with psalms and praises Spiritual, singing and singing in your hearts to the Lord." -22-

Eph.5:18-19 Spiritual praises are very rare spiritual manifestations of Which nothing specifically is said in the Bible. In order to Let's look at another place of Scripture to understand this. "The gifts are different, but the Spirit is the same; and the ministries are different, and The Lord is one and the same; and the actions are different, but God is one and the same; Producing everything in everyone. But everyone is given the manifestation of the Spirit on Benefit." 1-Cor.12:4-7 The entire twelfth and fourteenth chapters of the first message to To the Corinthians he speaks only about the spiritual.

In this Biblical In the text, the Apostle Paul talks about the diversity of spiritual gifts. For example, in the ninth verse of this chapter, we find the following words: "To another the gifts of healing". In spiritual practice you can see Such gifts of healing about which nothing is said in the Bible. Apostle Paul also talks about multifaceted spiritual ministries, about Which the Bible also keeps silent.

And finally we see that and The actions of the Holy Spirit can be different. It's not about everyone Actions of the Holy Spirit manifested in spiritual practice It is said in the Bible. Pavel says that all this diversity
-23-

Spiritual appearances are given to us only for our benefit. Let's Let's see one more place of Scripture to fix it above Said, after which we will talk about spiritual praises. "Serve each other, each with the gift you received, as Good builders of the various grace of God." 1-Pet.4:10 Praise refers to one of the manifestations of a variety of The grace of God, which is mentioned in this biblical text. In my personal spiritual experience, I have encountered more than once Such a manifestation, and I personally experienced this kind of Manifestations.

When performed by the Holy Spirit, some believers Began to speak in poetic form in their native language. Or they started singing in the spirit in their native language with a very Meaningful meaning and a variety of melodies. During the period I received my first love for God in my spirit from the Holy Spirit About ten spiritual songs in their native language. In addition to the languages we received, there is also one of the gifts of the Holy Spirit as the gift of speaking in tongues.

This gift is a stone. -24- Stumbling blocks for believers who do not understand the purpose of the gift

Languages. And when believers baptized with the Holy Spirit with The sign of other languages is said that the Apostle Paul said, "that not Everyone speaks in tongues," they just don't know what to answer them. Let's see what the Apostle Paul meant by That not everyone speaks languages. To do this, we will turn to the word To God and we will make a brief analysis of this gift The fourteenth chapter of the first Epistle to the Corinthians.

"A miracle for another, a prophecy for another, a discernment of spirits for another, Different languages to another, interpretation of languages to another." 1-Cor.14:10 In this biblical text, Apostle Paul is not talking about language Received by us at baptism with the Holy Spirit, and about one of the Gifts of the Holy Spirit, the language of collaborating with the gift Interpretation of languages. And already in the thirtieth verse we find Explanation of why not everyone speaks languages. -25- "Does everyone have the gifts of healing? Does everyone speak languages?

Interpreters". p.30 We will return to a deeper reasoning about the gift of languages and Now I would like to talk about the gift of different languages, about Which we have already read in the tenth verse of the first message to

To the Corinthians. When showing this gift, there is no need for Interpreter and no need for a translator who knows a particular language On which the Holy Spirit addresses the Church. About this gift The apostle speaks in the first letter to the Corinthians in the thirteenth Chapter. The gift of different languages is those languages that God used in The day of Pentecost.

At the time when the believers on whom came down The Holy Spirit began to speak in different languages and different Adverbs that were understood by those gathered for the feast of Judea from Different peoples. In support of this, I will give a few Examples of such manifestations of which I personally witnessed. In the same family, the husband and wife have already raised their children Decided to get a

divorce. But even before the divorce, this man's wife Turned to the Lord and began to visit the house of prayer.

Her husband Saw big changes in his wife's behavior, decided in secret Come to church and watch your wife. He came to that The time when there was a church prayer and the whole church prayed on Other languages. This man was standing behind the praying -26- Listened to their prayer wanting to understand what they were praying for. In this A brother stood in front of him and prayed in German

Which he didn't know himself. But the man who came for the first time Knew German well in the church. At this time, the Holy Spirit on Spoke in German about the secret affairs of this man who No one knew except him. Manifestation of the gift of different languages Served for his good, he repented and together with his wife Changed their minds about divorce, devoting themselves to serving God.

I want to testify about one more case related to From above by the manifestation of the gift of different languages. Being on a mission from God in Havana, I talked to a missionary pastor Who came from Jamaica to Cuba. In one of the churches, this pastor Served the word of God. But since he didn't know Spanish with He was a translator.

Somewhere in the middle of the sermon, the pastor became To preach in pure Spanish. Without understanding the That's why the translator was embarrassed and fell silent. She thought that the pastor Decided to laugh at her. But in the end it turned out that he Received the Spanish language from God in a supernatural way.

This Was not a one-time manifestation of the gift of different languages. Spanish Language has become the second language of this person and he will never again Didn't need an interpreter. -27-

The last example that I want to share with you strongly Differs from the previous two. If in the first case the gift of different Tongues served to save a man who does not know God. And in In the second case with the missionary, God gave him the Spanish language, To make his service in Cuba more successful. One more The example that I want to offer you now is a manifestation Gifts of different languages during the prayer service in the church.

One day my mother went to visit her daughter who Lived in Poland for a while. During the prayer service on Which my mother was present, she filled with the Holy Spirit and Began to prophesy in Polish, which she did not know. Through prophecy, God strictly rebused the leadership of the church for The decision made against God's will to do so. The pastor knew that My mother is not very literate and does not know Polish, so I don't Wanting to be condemned by God, canceled the accepted by him Decision.

If mom prophesied in her native language This prophecy would not be accepted. Since my sister with her -28- Husband, like some other members of the church did not agree with Such a decision. My mother would have been told that it was her daughter who set it up

Mom is against the decision. And that's why she became To prophesy the dreams of your heart. From the one I have stated You can see that all three cases of manifestation of the gift of different languages Were useful in completely different situations. And if we Reject this gift or it is not practiced in the church, many The problems will never be solved.

And now let's go back to the reasoning about the gift of languages For interpretation. "Therefore, who speaks an unfamiliar language, pray for a gift Interpretations". Article 13 First of all, I want to show you the difference between service God with the tongues received at baptism by the Holy Spirit and Tongues as one of the gifts of the Holy Spirit. During the prayer on Languages with our spirit, we turn not to people but to God.

And when We speak with the spirit already God Himself addresses us. For this reason In order for this gift to bring ediment, it must manifest itself in Churches only in cooperation with the gift of interpreting languages. Continuing to talk about the gift of languages under the interpretation of the Apostle Pavel shows the order and purpose of manifestation in -29-

Churches of this gift. "I wish you all spoke in tongues; but it's better that you Prophesied; for the prophet is superior to the one who Speaks in tongues, will he explain at the same time, so that The church received edmonation. Now, if I come to you brothers, and I will speak in unfamiliar languages, then what benefit will I bring you, When I don't explain myself to you either by revelation or by knowledge, or Prophecy"? Article 5-6 The gift of languages for interpretation is both A prophetic gift.

When showing this gift as well as when We no longer turn to God in prophecy, as we do in Time of prayer to God with our spirit, and God is already turning to us. But this gift will manifest itself in the church only on one condition, If what God said to us will be interpreted. Through a gift Languages in cooperation with the gift of interpretation are manifested such The same actions as through the prophetic gift. They can come Revelations from God, or the word knowledge as well as prophecy.

Prophecy is given to us for admonition, consolation and edification. And as if making the conclusion of the above Apostle Paul -30-

Encourages the Corinthian Church to be jealous of the manifestation in Churches of the gifts of the Holy Spirit. "So you, jealous of spiritual gifts, try to enrich yourself with them to Editation (building) of the church. And therefore, speaking in In an unfamiliar language, pray for the gift of interpretation." v.12-13 We see that when the church shows spiritual gifts in the church Is built in accordance with God's will for us. And according to this The reason is that the Apostle Paul says that believers who have a gift Languages also prayed for the gift of interpretation.

The closer we get To the completion of the reasoning of the Apostle Paul about the gift of tongues under Interpretation, we can also see the main reason for its Reasoning. -31- "For if you bless with the spirit, the one who stands still How will a commoner say: "amen" at your thanksgiving? For He doesn't understand what you're saying. You thank me well, but The other is not edification. I thank my God: I am more than all of you I speak in tongues; but in church I want to say five words better with my mind Mine, to instuate others, than the darkness of words on the unfamiliar Language". art16-19

And finally the denouement has come. From what the Apostle said We see by Paul that the gift of languages without the gift of interpretation is not Brings edification to the church. And for this reason, Pavel calls Having this gift to the church order. But without humiliating This gift also says that the one who thanks God in tongues, Thanks well.

Pavel also shows that he himself Uses this gift the most. And then he says that if in There is no church interpreter, then there will be more benefit from prayer Mind, than from a lot of incomprehensible words, because from this no one Edifies. What Paul said does not apply to church prayer In other languages by our spirit, since prayer by spirit is not Speaking in tongues under interpretation. And in our further -32- In the reasoning about this gift, we will see an explanation for this as well.

"If the whole church comes together, and everyone starts talking Unfamiliar languages, and you will enter the ignorant or not Believers, won't they say that you're going crazy"? Article 23 I think that what Pavel said does not require much explanation, so How Paul calls for reasonable service with this gift, so that This one did not serve as a temptation for the unknowing or unbelievers, but

Served as a blessing for the church. At the same time, Pavel Encourages believers to use their Spiritual potential, to serve each other with spiritual gifts, including Number and gift of language in commonwealth with the gift of interpretation. "So what, brothers?

When you come together, and each of you has Psalm, there is an instruction, there is a language, there is a revelation, there is Interpretation, - let all this be to edification (construction)". p.26 Continuing to talk about God's order when using the gift Languages and the gift of interpretation of languages Apostle Paul offers The order defined by the Corinthians in the service of the gift of tongues For interpretation. -33- "If someone speaks an unfamiliar language, speak two, or a lot Three, and then separately, and explain one.

If it doesn't happen Interpreter, then be silent in the church, but speak to yourself and to God." v.27-28 Adhering to the established order in the manifestation of gifts The Church of the Holy Spirit will be built spiritually and will no longer be Places for riots in the church and all kinds of disorder. Pavel It also shows how God Himself looks at it.

"Because God is not the God of the device but of the world. That's how it happens in Of all the churches of the saints." p.33-34 Paul finishes his instructions for the Corinthian Church In such words. "So, brothers, be jealous of prophesying, but not Forbid speaking in tongues; only everything must be Decently and orderly." art. 39-40.

So we see that the Apostle Paul does not allow to forbid Manifestations of the gift of other languages during church service. And now let's turn to the word of God and on the basis of Of the above, we will continue our further reasoning on the started Us to the topic "At the level of the spirit". "But you are a chosen generation, a royal priesthood, a holy people, People taken into the lot to proclaim the perfections of the Caller You from the darkness into Your wonderful light." -34- 1-Pet.2:9 What was said by Apostle Peter refers to believers born From above. Born of the Holy Spirit are kings and priests of God To the Almighty.

Holy people of God taken by God as a share for To proclaim His perfections. And that's what you and I are for

Called by God. But in the first letter to the Corinthians, the Apostle Paul divides believers into spiritual and spiritual. And about that I would like to talk to you in the same way. "A soulful person does not accept what is from the Spirit of God, because That he considers it madness; and can't understand, because about This needs to be judged spiritually.

But the spiritual judges everything, and about him No one can judge. For who knew the mind of the Lord, that he might To judge him? And we have the mind of Christ." 1-Cor.2:14-16 There are many believers who once came to God but never Born again. Such believers are divided into several Categories.

The bulk of spiritual believers say that they believe To God, but only on major religious holidays they come To the church. These people who call themselves believers in God live The same way of life as all worldly people. Other Category of spiritual believers who systematically attend Church and even participating in church events. -35- Some of them are involved in one or another ministry but Who never survived the new birth. But believers are born From above and baptized by the Holy Spirit whose word of God

Calls spiritual, I can become spiritual believers. In this Case, it's already the choice of the believers themselves and there are certain Reasons. I would like to show some situations Who bring spiritual believers born again to State of mind. Apostle Paul speaks very clearly about this in Epistle to the Galatians.

"Oh, pointless Galatians! Those who have seduced you will not submit to the truth, You, who had Jesus Christ predestined before their eyes, as Would you have a crucified one? I just want to know from you: through business Of the law you received the Spirit, or through instruction in faith? Are you It makes no sense that, having started with the spirit, now you finish with the flesh"?

Gal.3:1-3 From what Apostle Paul said, you can see that the members Galatian Church were filled with the Holy Spirit, survived -36- Spiritual revival and special closeness with Jesus Christ on Level of your spirit. But having started with the spirit, they returned to the service Flesh and thus became spiritual believers. Apostle Paul characterizes spiritual believers as follows. He says that such believers do not accept what is from the Spirit

God's, and they can't accept it, because it needs to be judged Spiritually, that is, at the level of our spirit. Spiritual believers Strictly and not evasively adhere to various church Resolutions. These are mostly wise and practical people, Acting according to the logic of their mind. But about spiritual believers Paul says that they have the mind of Christ and for this reason about them No one can judge.

To serve God at the level of the spirit, we It is necessary to renew the spirit of our mind. It's very clear and Accessible for understanding said in the epistle of the Apostle Paul to Ephesians. -37- "But you did not know Christ in this way; because you heard about Him and in They learned from him, since the truth is in Jesus, by putting off the former The way of life of an old man, seding in seductive Lusts, but to be renewed by the spirit of your mind and to put on the New A man created according to God, in the righteousness and holiness of truth." Eph.4:20-24 The Apostle Paul says about believers who live by the spirit that they are not That's how they knew Christ.

Because not only have they heard about Him, but also in Him Learned. And these are no longer believers who live by the letter, because it is said

That the letter kills, and the spirit makes life. But the believers are already living According to the spirit, the disciples of Jesus Christ, renewed by the spirit of their mind. Who put on a new man created

according to God. And how Jesus Christ said in a conversation with a Samaritan woman that God is a spirit and The one who worships God must worship at the level of his spirit.

Since the man created in the image of God is like God Spirit, having soul and physical flesh. And God's believers Father is looking for himself. And this is already a new person created by God. And What I have said is confirmed by the word of God.

"So whoever is in Christ is a new creature; the old has passed, now everything New." 2-Cor.5:17 Nothing old is acceptable to a new creation. In the new God creates everything new in creation. Just like through a new creation God creates everything new. Still, this is happening at the level of our Spirit, not at the level of our soul.

As it is said that the spirit Will be life-giving, and the flesh does not benefit at all. Spiritual man Will always seek intimacy with God at the level of his spirit Through the Holy Spirit living in us and will strive Constantly be under the guidance of the Holy Spirit. -38-

"Therefore, brothers, we are not debtors of the flesh to live according to the flesh; for If you live according to the flesh, you will die, but if you kill deeds by the spirit Carnal, then you will be alive. For all who are guided by the Spirit of God are Sons of God." Rom.8:12-14 So we see that the guidance of the Spirit of God confirms Our adoption as children of God. But it's not enough yet Live according to the spirit and be under the guidance of the Holy Spirit. It is also necessary to act according to the spirit.

"But those who are of Christ have crucified the flesh with passions and lusts. If we live by the spirit, we should act according to the spirit." Gal.5:24-25 Believers born again and being a new creation in Christ Jesus, who live by the spirit, must still become Christ's, His belonging. And for that you need to crucify your Flesh, the Adamic nature of sin, with all its passions and lusts. In the Epistle to the Romans you can see by what you can To achieve this goal. -39- "So, I beg you, brothers, by the mercy of God, present the bodies Yours for a living sacrifice, holy, acceptable to God, for the reasonable Of your ministry, and do not conform to this age, but

Be transformed by the renewal of your mind, so that you may know that Is the will of God, good, pleasing and perfect." Rom.12:1-2 First of all, to be Christ's, to confirm our with you Belonging to Jesus Christ, our full Dedication to life with God. And also dedication for Serving God in accordance with our vocation in the body of the Church, The body of Jesus Christ. We no longer belong to ourselves, because Jesus Christ bought us at a high price, through His Calvary Victims. And if we haven't done it yet, then in our vocation from God, everything else no longer makes sense.

When is our The consecration took place, we have already been Christ's and received from God Power over our flesh to crucify it with all passions and Lusts. At this time, the mind of our spirit is transformed into a mind Christ through. The Holy Spirit living in us. And then to us Comes the ability from God to know the will of God, which To become good, pleasing and perfect for us.

Let's Now let's see what the fullness of all God is for us Will. -40- "God is rich in mercy, according to His great love, which

Loved us, and us dead in crimes, revived with Christ, - by grace you are saved - and resurrected with Him, and planted In heaven in Christ Jesus, to see in the ages to come The abundant wealth of His grace in goodness to us in Christ Jesus." Eph.2:5-7 The first thing we see in this biblical text is that God To revive us with Christ. What indicates that only in Jesus Christ, we have salvation and eternal life. And it's not from us And not from deeds, but only by grace, not deserved mercy from God To us. Paul talks about this in relation to Christ, to those Believers who have been resurrected with Christ and faith already Planted in heaven in Christ Jesus.

Since they are a body Jesus Christ, and Christ is the head of His body. The body and the head are one Whole. And if Christ is already in heaven at the right hand of the Father, then also His body Is there. All this has already happened to us, but only at the level Of our spirit, since our flesh has not yet been redeemed.

And when The redemption of our body will take place, God will make it clear to us in the coming Centuries, the abundant wealth of His grace in goodness to us In Christ Jesus. -41-

"So, if you were resurrected with Christ, then look for the mountaineer, where Christ sits at the right hand of God; think of the mountain, not of the earthly. For you are dead and your life is hidden with Christ in God. When Christ, your life, will come, then you will also be with Him in glory." Col.3:1-4 Christ's believers are His body, Christ is the head Of His body. And those believers who are already Christ's heavenly ones, Temporarily passing their earthly field.

That's why all our Aspirations should be directed to the mountain, heavenly. Similarly, thoughts can no longer be about the earthly, but Only about the heavenly. You and I are wanderers and aliens on earth Heading to their heavenly fatherland. What is very clear Says the Apostle Paul in his epistle to the Philippian.

"Our residence is in heaven, from where we also expect the Savior, Our Lord Jesus Christ, who is our humiliated body Will transform so that it will be in accordance with His glorious body, with power, With which He acts and subdues everything to Himself." Phil.3:20-21 The church of our days lives in anticipation of the coming of Jesus Christ. Theologians show us that all Biblical -42-

The prophecies have already come into fulfillment. In turn, and The political situation in the world and especially regarding Israel Also testifies to this. Therefore, more than ever before, we Must be awake as the coming of the Lord is approaching. We need to stock up on oil so that our lamps do not Are extinguished and we will not be among the unreasonable virgins.

In conclusion I want to offer you what the Apostle Peter said about the day Lord's. This directly applies to us, believers In the last time waiting for the day of the Lord. "The day of the Lord will come like a thief in the night, and then the heavens with Will pass by the noise, but the elements, having flared up, will collapse, the earth and everything Things will burn on it. If everything collapses like this, how should it be In holy life and piety to you who expect and desire The coming of the day of God, in which the heavens are inflamed. -43- Will be destroyed and the ignited elements will melt?

However, we, according to His promise, we expect a new heaven and a new earth, on which The truth dwells." So, beloved, waiting for this, try To appear before Him undefiled and not vicious in the world"; 2-Pet.3:10-14

This book is not a product of theological doctrine, in Which has no room for revelations from the Holy Spirit. Theology Expands our knowledge only in the field of our mind, and not in Areas of our spirit. Theology does not contribute to practical Knowledge of God's truths. Even with the deepest research We can be wrong about the reliability of biblical truths.

For Every word from the Scriptures can be infallid only in that Case, when it can be applied in practice, as in our Of life, and in our service to God. The material I taught is mainly based on Practical and non-traditional Theology. Since from the part Is confirmed in my personal practical service. And also On the first-hand testimony of people with whom I was very Close in communication.

That's why I take responsibility for God for the material offered to you in this book. -44- There are two categories of believers who zealously defend Your beliefs about Biblical truths. Some people do it without Prejudices, others manipulate the word of God. But as in One, and in the other case, these believers stand in what was

Once accepted by them. Expressing your disagreement in one or another Areas of teaching, some of them act as follows. Tearing out from the context of the Bible certain places of Scripture such Believers claim that there is an indisputable truth in this. At Not noticing it, or openly ignoring other uncomfortable for them Theology of the place of Scripture.

This is a gross violation of principles Theology. Since true theology teaches to explore everything Places written in the Bible on a particular topic. And only After that we can make our own conclusions. Another category of believers goes even further.

To defend These people use their beliefs that are not quite clean Methods. Proving their loyalty to their beliefs, they use Heard by them from the second or even from the third mouth, claiming that about Something we've never even heard of. Such believers build their own Convictions without reason, affirming what never Experienced in their lives and service to God. You can also find and Other sources of pseudo-training, but I think that's enough.

Try to keep a sane approach in your confession Biblical truths. And this is first of all to look for confirmations -45-

Of their beliefs not only in the Bible or in the teachings of certain Theologians. But there is also a need for revelations from God. And most importantly So that the biblical truths and what is said to us by the Holy Spirit Was confirmed in practice, both in our life and in our Service to God.
